A student enrolled in the Voluntary Prekindergarten (VPK) Education Program may transfer to a different class at the same provider if the transfer is within the same program type. The VPK program has **two program types**:

- A school-year prekindergarten program (**540 instructional hours**); and
- A summer prekindergarten program (**300 instructional hours**).

This form may be used to conduct a class transfer. A class transfer allows a student to change VPK classes and receive the remaining instructional hours for that program type. The state will fund up to, but not more than the remaining VPK instructional hours allowed for a student’s program type, even if the new class’s instructional hours extend beyond this amount. To move between a school-year and summer program, or to move to another VPK provider, the student must withdraw and reenroll under the provisions for **good cause** or **extreme hardship**. If **good cause** or **extreme hardship** applies, the parent or guardian should complete Form AWI-VPK 05 (Reenrollment Application). This form may also be used when class transfers are conducted at the same provider and the remaining VPK instructional hours change because of the class transfer.

**INFORMED PARENTAL CONSENT**

I have chosen to transfer my child to another class at the same provider. I have been given information concerning the number of instructional hours remaining in the VPK class that I have selected for my child. I make this choice freely, knowing that once my child is transferred to the new program/class, he or she may not be eligible to complete the full instructional hours delivered by the provider’s class if the provider’s class extends beyond the remaining VPK instructional hours allowed for funding.
