She then explained the inventory items that need the Board’s approval to dispose of safely. These items were three large Smart-UPS 1500’s purchased on 6/29/07, with a total value of $6,250.00. Even if the Coalition repaired them, they would serve no purpose in a productive environment. Mrs. Holman explained the FY 19/20 403(b) estimated amount of approval to be $102,000. There is approximately $6000 forfeiture in the Mass Mutual account, which will reduce the cost of that $102,000.
