Finance Committee, Karen Holman, Chief Financial Officer (Proxy for Rob Bell, Chair)

Mrs. Holman stated that the finance report is halfway through the year and right at our halfway waypoint with percentages. Under "Other Income," which is currently at $146,216, VPK calendars sales make up approximately $102,000 of that total. The ELC also bill The From Cradle to College Foundation for the work Marie O’Connell does for the foundation. Mrs. Holman pointed out that the ELC Private Donations are at 475% (approximately $24,000) from fundraisers such as the golf tournament but not yet transferred to The From Cradle to College Foundation.

Audit Committee, Joe Miller, Chair

Mr. Miller reported that there were no audit impact findings. Mr. Miller stated that beginning December 15, 2020, our lease must go on our balance sheets Government-mandated. Mr. Miller discussed the difficulty with the EFS Modernization Project and complimented the ELC staff for a temporary contingency plan tracking payment manually and staying in compliance with the State. Our Coalition was the first Coalition in the State to complete its Audit.
Mr. Miller stated that there are going to be new Donor restriction terms. With two new columns, a column for donation with restrictions, and a column for contributions without limits.

Upon a motion duly made by Mr. Minor and seconded by Ms. Neeves, the Finance Committee and Audit Reports were unanimously accepted as presented.

Governance Committee, Christina Riggio, Chair

Mr. Sharff stated that Ms. Riggio did not have a Governance Committee meeting this week. Mr. Sharff informed the Committee that Dr. Otis would like to spend more time with her family and will not be renewing her term. Mr. Sharff’s recommendation in the Consent Agenda is that the Committee vote in favor of Mr. Tabicman renewing his time on the Board for another four years. Mr. Sharff thanked Ms. Riggio for understanding that during this unprecedented period (COVID 19), there currently were no urgent policies. The Governance meeting will be before the next Executive Committee & Finance Committee Meeting on May 13, 2020.

Chief Executive Officer’s Report, Paul Sharff

Mr. Sharff went off-script due to the developing COVID 19 crisis. Washington, DC, has sent down new guidelines that would give childcare providers and OEL a wide-ranging of managing situations during this crisis. Typically, childcare providers follow the School District’s calendar. Many of them close during Spring Break. With the schools not going back this semester, the situation has changed. 10 Childcare Providers have seized operations. Parents depend on them to go to work. The ELC is working in different ways to stop these closures from happening.

Mrs. Oakes updated the to-date situation. ELC staff are calling each childcare provider to ask if they will close or remain open. What can the ELC do in assisting childcare providers to stay open? Mrs. Oakes told the Board that Mr. Sharff called two of our largest providers with plans to close and was able to talk them into staying open. Our first responders need to have childcare. Mr. Sharff will keep in close contact with other providers. The ELC is working with parents that might have to transfer their children to another center due to Providers closing.

Mrs. Oakes stated that we are in constant contact with OEL, Manatee Department of Health, and Emergency Management Office to help our providers stay open and making sure our families have good childcare. The ELC is working on plans to feed and distribute books to children due to school closings in conjunction with the School District of Manatee County and Feeding Tampa Bay.

Mr. Sharff explained that many of the coalitions around the State are working remotely. We will be working four ten-hour days. On the topic of staff, Mr. Sharff said that our Coalition is currently only at 3.6% Admin. ELC purchased a comprehensive salary comparison software to allow the agency to bring salaries in line with averages in the Tampa Bay area. Staff job descriptions are inputted into the software formula to recommend salary increases or decreases. These changes to employee salaries would become effective on April 1, 2020.

Upon a motion duly made by Mr. Mohammadbhoy and seconded by Ms. Kendzior, the Consent Agenda to extend Len Tabicman term and unanimously accepted as presented.
